

JOHNSON'S ANODYNE LINIMENT

Stop Your Cough

Three or four drops of Johnson's Anodyne Liniment on sugar relieved tickling in the throat and stops the cough. Colds, if unchecked, may cause serious throat and lung troubles. To avoid risk, apply Johnson's Anodyne Liniment promptly.

Johnson's ANODYNE Liniment

Has been a successful family remedy for nearly a century, for both internal and external uses. Internally for Coughs, Colds, Hoarseness, Bronchitis and most respiratory disorders. Externally it discharges any pain. Cuts, Wounds, Sprains, Muscular Rheumatism, Swollen and Frost-bitten Feet. Pain leaves the moment the liniment is applied. Guaranteed under the Food and Drugs Act, June 30, 1906. Serial number 612. At all Druggists. Get a Bottle now. **KEEP IT ALWAYS IN THE HOUSE.**

Every Rexall Formula Is Public Property—And Always Has Been

This is an age of inquiry. Not since the time of the Civil War has there been so much agitation in the minds of the people on various subjects.

People "want to know" about everything. We do not say that the public has grown skeptical—quite the contrary. We believe it is a day and age of enlightened, intelligent inquiry after facts.

Each man and each woman now-a-days wants to do his and her own thinking. They are not looking for any concentrated essence of wisdom boiled down and given to them in capsule form. They want to figure out for themselves what is right, and what is wrong, and what to do about it.

Public sentiment has forced the government of the United States to compel patent medicine manufacturers to state on their labels the ingredients of the remedy inside of every package.

We believe that the Rexall remedies have had as much to do with the creation of this sentiment as any other one single element in the country.

Why? Simply because the Rexall remedies, from their inception several years ago, started out on an entirely new line.

The first principle in the Rexall platform was one remedy for each ill—not a cure-all.

Second—no secret combinations. Every formula has always been open to the public; anyone can know what he is taking when he buys Rexall—and always could.

Third—every Rexall remedy has been sold on the basis of "money back" if you are not more than satisfied.

This is frank, square, open-handed business, that's all. But it made Rexall the greatest success in the medicine world in a very short time.

Rexall "93" HAIR TONIC

The famous Rexall "93" Hair Tonic is one of the 300 Rexall Remedies. It is composed in chief of Resorcin, Beta Naphthol and Filocarpin. Resorcin is one of the latest and most effective germ-killers discovered by science, and in connection with Beta Naphthol, which is both germicidal and antiseptic, a combination is formed which not only destroys the germs which rob the hair of its nutriment, but creates a clean and healthy condition of the scalp, which prevents the development of new germs. Filocarpin is a well-known agent for restoring the hair to its natural color, where the loss of color has been due to a disease of the scalp. It is not a coloring matter or dye. This combination of curatives mixed with alcohol as a stimulant, perfects the most effective remedy for hair and scalp troubles known to-day. Per bottle, 30c.

Poore-Swett.

A very pretty wedding took place at the home of Edwin S. Poor, Andover, on Wednesday evening, Oct. 23, when his daughter, Alice, was married to Girdler Jackson Swett of Lynn, Mass. Punctual at 8:30 the bride came into the room with her father preceded by her sister, Bertha Poor, who was bridesmaid. They were met by the groom and best man, Joseph Houghton of Lynn, Mass., under the marriage bell of evergreen and united by Rev. T. H. Derrick, who used the double ring service.

After the ceremony refreshments were served in a dainty manner in the dining room. The bride was gowned in white lace over white silk and carried lilies of the valley. The bridesmaid wore white muslin over pink silk and carried chrysanthemums.

The presents were numerous and costly, among them a sofa for the bride, a bed room in Mr. Swett's family and at least 1500 silver dollars.

Mr. and Mrs. Swett went to New York on a short wedding trip, after which they will remain at the old home that she has so long and faithfully kept for her father.

A Gifted Author.

Mrs. Caroline Dana Howe, the noted authoress, died at her home in Portland at the age of 87 years. She had been in feeble health for two or three months. Fryeburg was her birthplace. She leaves no immediate relatives.

She began to write poetry when about 14 years of age and has been writing it ever since. Many of her poems have been set to music.

Bell With a Tragic History.

The bell recently placed in the belfry of the Baptist church at Bryant Pond has an interesting and tragic history. It first hung in the lighthouse on Minto's ledge near Boston harbor, which was wrecked in a great storm April 17, 1851, with the loss of two men in the tower, with the loss of a few years later and for 50 years it hung in the tower of the woolen mill at Turner which was burned Sept. 3, 1905. The proprietor of the mill, Francis T. Faulkner lost his life in the fire, and the bell, which was life in the fire, was recast and then given by Mr. Faulkner's daughter to the Baptist church at Bryant Pond.

Hebron Academy won the annual championship game from Kent's Hill at Hebron, Saturday morning, by the score of 12 to 10.

Josephine Ames of Otisfield was admitted to the Central Maine General hospital, Friday, for treatment and operated upon in the evening.
